LATEST CLUB NEWS

Merry Christmas one and all. Thank you for an incredible 2021. The support and loyalty from the local community has been wonderful since we were allowed to reopen in April. Since then we have held a successful beer festival that raised a lot of funds for the "On the Ball" charity, we held Euros football nights that allowed people to get together safely and celebrate England's wonderful ride to the Final and this summer we had our popular garden parties that were phenomenally well supported, giving support to local bands and bespoke street food sellers who had seen their incomes halted during the pandemic. These events were so successful that we were able to fund the new floodlights for the resurfaced sports court ensuring that our community has the best facility possible. We have also made investments in to our club room, outdoor seating and bought our amazing stretch tent which will go back up next summer. Thank you to all our wonderful members and visitors. xx

Dear Members,

We're really pleased to confirm that our first brewery takeover is on Friday 3rd December at 7pm and hosted by Michael Green of Tindall Ales and we are especially proud that they are bringing 2 brand new beers to show off for the first time.

The format of the evening will be Mike walking us through the 4 beers talking about processes, hops and malts etc to give a true tasting experience. Each beer will be intersected with water, crackers and coffee beans to cleanse the senses ready for the next and the evening will involve some fun stories of his brewing life so far. We've always found Mike to be not only knowledgeable about brewing, but extremely passionate.

As a smaller local brewer (and notably one that has supported us through our growth), we want to help promote Mike his growing team and their great beers.

The session is just £5 to social club and Camra members, this includes a half each of all 4 beers (thats right, 2 pints and some learning for just £5).

The 4 beers are.....

Tindalls best: Their classic 3.7% best bitter and the first real ale that we put on our first beer line.

Galaxy Dream: A delightful pale dry hopped mosaic 4% beer that is light fruity and somehow creamy.

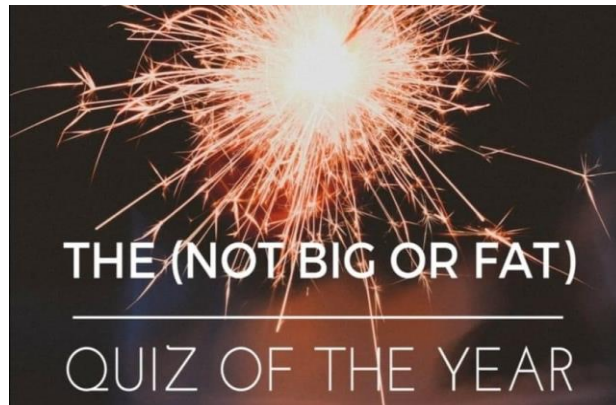

NEW - Forgotten Christmas: A strong ale brewed with cinnamon and Norwegian kviek yeast and then dry hopped with centennial hops for a fresh pine aroma.

NEW - Starry Night Stout: A classic stout brewed with lots of oats for a smooth slick palette carrying hints of coffee and chocolate.

We look forward to seeing as many of you as possible.
