Urgent request for help!!!

We have a time sensitive opportunity to raise funds to continue the development of the 3g pitch and more critically its ongoing safety.

We have gained access to a grant pot that will match any funds we raise on condition we have over 50 supporters.

Our membership is currently at 450, so if just 10% of you make a donation, no matter how small we could really make some magic together.

We've also added a Wimbledon special to the crowd funder as a reward for supporting.

Follow the link and go to 'rewards' to donate just £5 in return for our Wimbledon weekend special with pulled pork roll (vegan option available) a glass of pimm's (soft drinks available) and free fun tennis coaching.

There are just 60 spaces available and we're asking you please to support this community project as soon as possible.
